[HAPPINESS CAN'T BE BOUGHT WITH MONEY BUT IT ALSO CAN'T GO ON WITHOUT MONEY]

*Your casual  
vulgarity is so  
infuriating!!*

You  
say?

Anyways,  
if you really  
did defeat  
the phantom

Did you happen  
to pick up any  
pieces of paper  
by any chance?

I know  
there was  
something  
queer  
going on.

I need  
to find  
black ink  
and those  
"papers"

Jeez,  
forget it.

I'm going  
to take a  
shower

THE ORIGINAL STORY SET & STORY PRICE PROMOTED TO HOLD OVERALL

HA HA HA

Allow me to explain.

Whether Ikkō-chan  
kiss her head, her  
personality and sex  
appeal just a little.

Indeed,  
good  
morning!  
How are  
you?

I-Ikkō-  
chan

Ohhh

Something  
isn't  
right  
and  
I'm  
not  
here

Right,  
it's  
not  
fine

Hair  
that can  
be counted  
as one of the  
three most  
beautiful in  
the entire  
world...

Wings that  
gives the  
impression  
of a  
mischievous  
angel from  
heaven...

"Linear  
beauty"  
that  
flows  
down, and...

Flawless  
skin that  
never  
grows  
old!

Ahhh, the  
zenith of  
irresistible  
loveliness.

That  
would be  
*me!*

All of this  
would most  
definitely  
make me a

**Monster.**

Right

That's  
the kind of  
person you  
are...

What in the world is the matter with you?

That's beside the point.

Now then — I already have a rough idea of the situation.

So please your catch was snatched away by the Signal on Fluffy's boat!

Are you talking about your signal?

Watch up! I have my off-days when the conditions are bad.

Why didn't you use your "Greed Phone"?

The Greed Phone is available  
on all major carriers. It's the  
only phone that can be used  
on all major carriers. It's the  
only phone that can be used  
on all major carriers.

Building  
on the other  
model  
broadband  
communications  
network  
turning it into  
conversations  
for you and  
the future  
agreed on  
communications.

We're  
supposed  
a bookish  
creature that  
only brings  
trouble to  
Osu-dan

It's  
better if  
we didn't  
exist

Hey, what  
are you  
trying to  
pull?

WHAT  
ARE YOU  
DOING  
??

UWAH,  
N-NOWA-  
SAN??

You  
intend  
to break  
the dread  
Phone!!

Stop!!

真炎爆碎ッ!!!

I DON'T  
HAVE TIME  
FOR YOU!

BUGGER  
OFF!!!

Don't  
worry,  
Ore-dan!

Nickles,  
I'm  
coming  
right  
over!

Hold  
out there  
a bit...

Damn, how  
annoying

It's a special  
plantation,  
and it's very  
difficult to  
defend and  
protecting

Wah-! It  
had no  
effect!!

Because  
I'm a  
monster.

Ahaha...  
to the  
point I  
can't even  
die, just  
like this  
phantom.

—  
Now, you  
are not a  
monster.

In that  
case!!

And bring  
aiding to  
people

They're  
monstrous!

Is what  
you are not  
different?

Phantasies  
are generated  
from the  
Sensory  
Network.

Tell me,  
how am I  
different  
from this  
phantasy?!

I'm made  
from magic  
and I make  
you have  
to pay 60  
million yen  
every month,  
Onii-chan!

4-60  
million?

I WANT  
YOU TO  
BE BY MY  
SIDE.

YOU  
AND SHE  
EXIST  
BECAUSE  
I WISHED  
FOR IT...

THAT  
MAKES YOU  
COMPLETELY  
DIFFERENT  
FROM A  
PHANTASM  
GENERATED  
WITHOUT A  
PURPOSE.

The one  
who brought  
us out of  
hell  
The one  
who is  
keeping us  
grounded  
right now

I don't  
want to go  
back to  
those  
days

ORBITAL  
HAMMER  
!!

—  
IS YOU,  
NOKIA!!

These  
phantoms  
are one  
and the  
same!

I think  
it means  
they both  
share the  
same mass.

—  
What?—

And  
the core  
is split  
between  
both  
bodies!

They will  
replenish each  
other's mass  
whenever  
one of them  
gets hurt...

We'll attack  
both of them  
at the exact  
same time with  
high firepower  
magic.

It's just a simple  
modern  
city.

I see,  
so there's  
no point in  
destroying  
just one of  
them.

.....

Attacking  
them at the  
exact same  
time in  
different  
places?

Of  
course  
we can,  
right  
Kakuri?

Can you really  
do such a  
thing?

WE CAN DO IT.  
MAY THERE BE  
NONE BUT US  
CAPABLE OF  
PERFORMING  
SUCH A FEAT.

秀和

THERMOBARRIC  
BUSTER!!!

Sorry...

You were  
born yesterday.

Your  
body can't  
compare  
to mine.

漆刻刀  
シキバナイ

TO THE  
SEA OF  
DATA!!

RETURN...

Meanwhile...
